

Book Trailer

Infering: It helped ^{Reflection} by knowing other people will be infering -

Thinking Card: It helped me by what might go on book trailer

Planning Template: It helped what slide would go in the book trailer

Story Board: The story board helped me by knowing what pictures and words would go on the slide.

Book Trailer: We used Creative Commons to look for the slides. The other website we used is freemusic to find the type of music. The process of making the book trailer took a long time but it was worth it.
